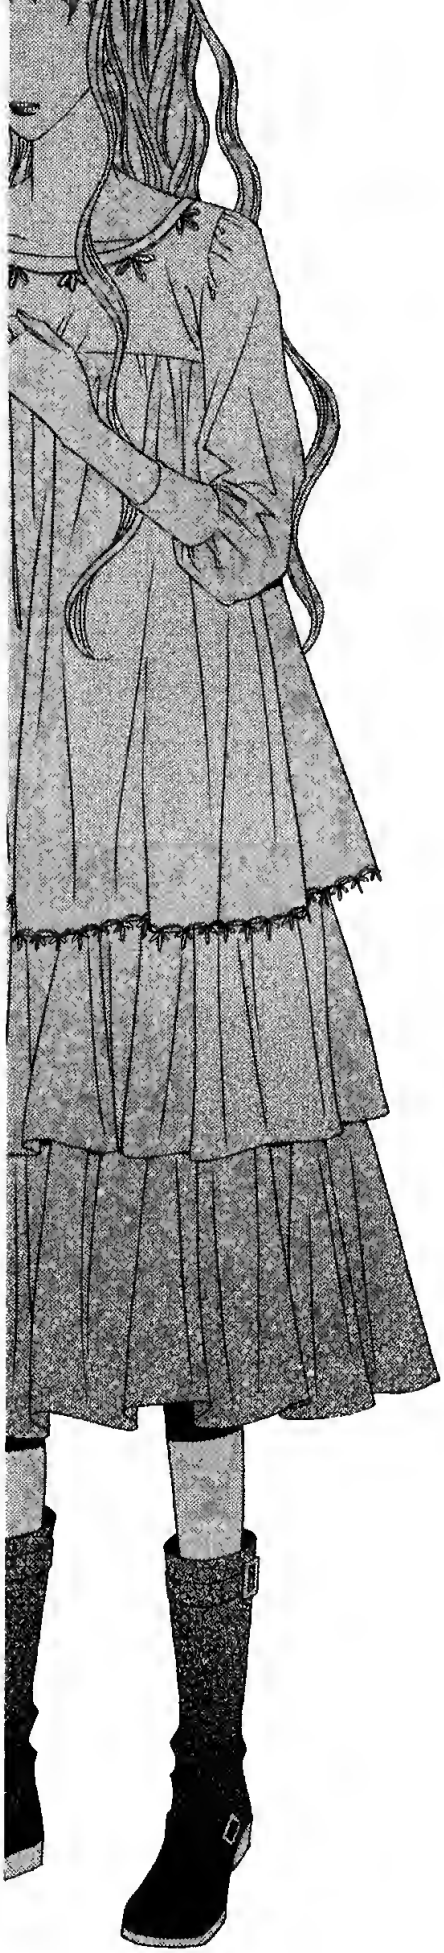
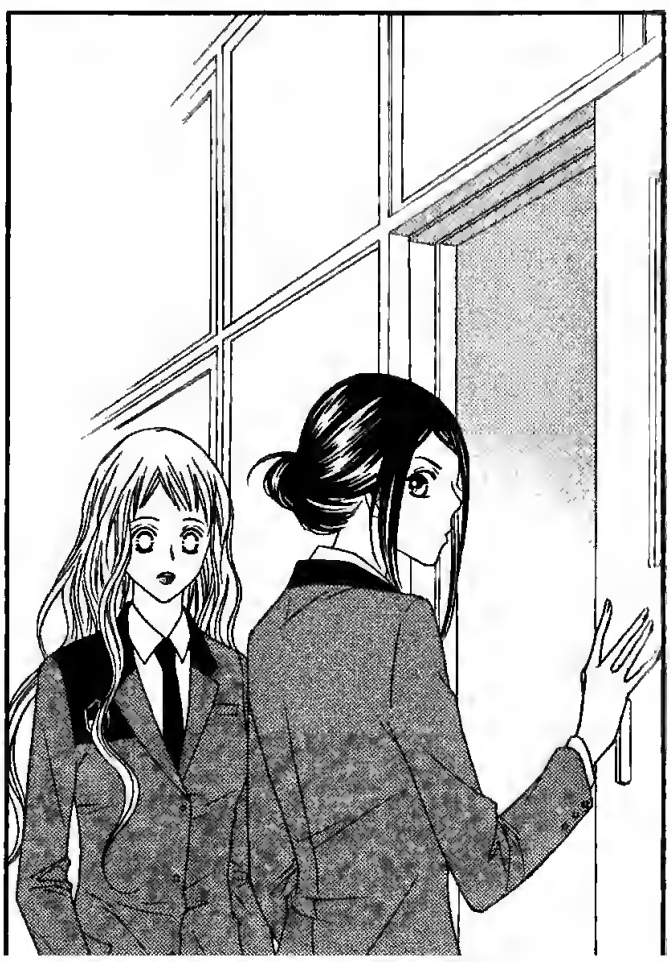
Waltz 24

The Things That You Have to Throw Away and the Things Which You Shouldn't Give Up



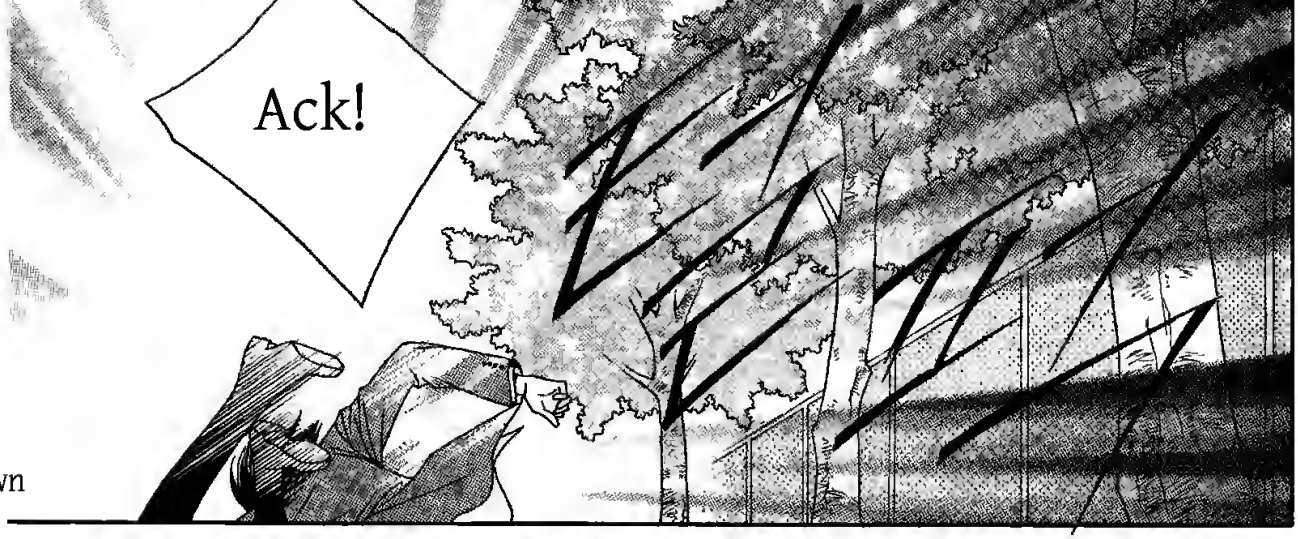


Are you here?
Mi Hyang Seo.
...Hey Mi Hyang Seo.
I'm calling you.

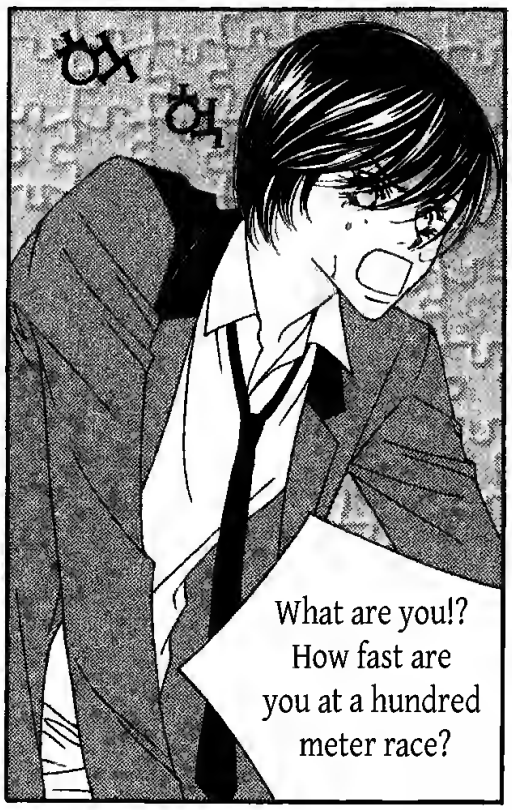
What are you doing?
You're really...!
Why are you running away?
Why are you following me?

Are you serious?
Hey!
Somebody stop her! Hey!
Why won't you stop?! Hey! Mi Hyang Seo!
턱

Sfx: Grab

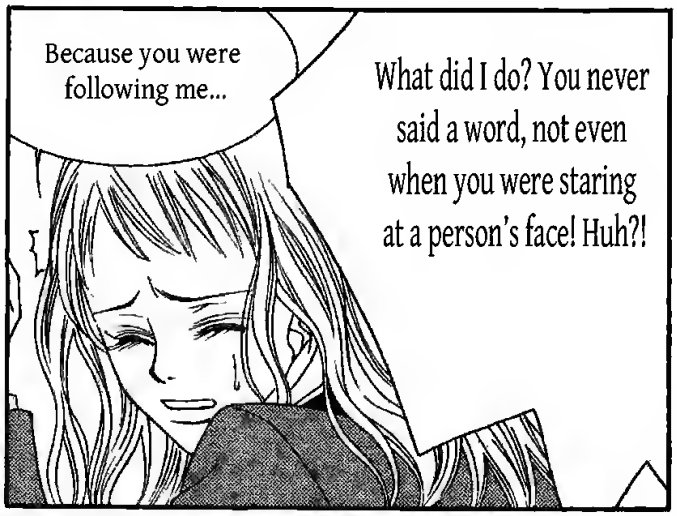


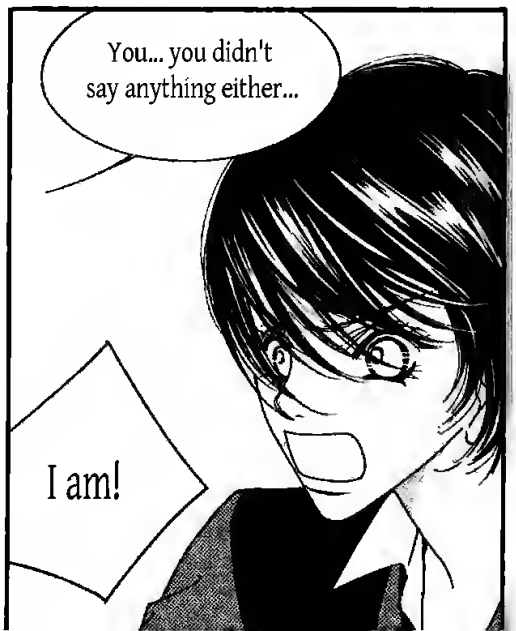
Sfx:
Fall down



Sfx:
Pant
Pant

17... 17 seconds...
You make me laugh. I'm 13 seconds!
Are you running away using supernatural powers that you don't actually have? Why?

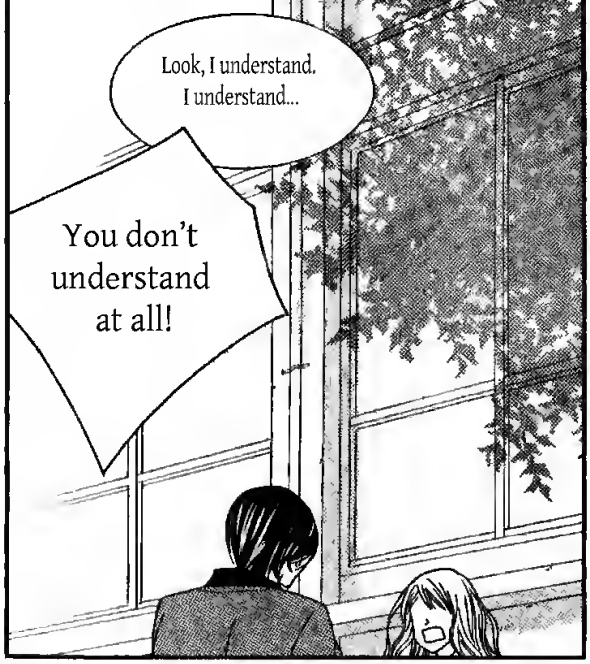




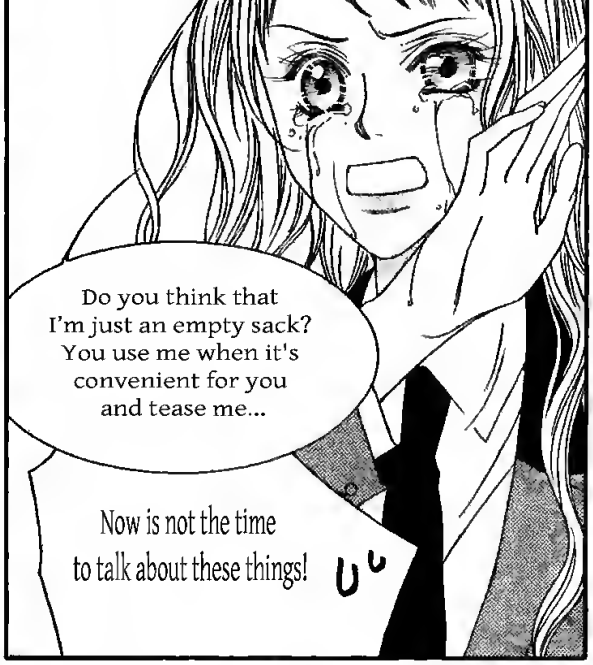
I have some time to kill...
Me? Do you think I don't?
How can you always only care about yourself?
I, you know. I didn't do it because I felt good. I really...
What?
I, I, me, too...
I am...
Hey, hey...
Sfx: Sob

Sfx: Sob sob
Se Gyuem Gang...
No, no! I didn't do...
Why are you crying? Stop.
Sfx: Slap
No! What are you looking at!
Your eyes are scary.
Wait a moment. Mi Hyang Seo! Hey!
Why?
Sfx: Sob Sob
Sfx: Yell
Sfx: Sob sob
Why, are you ashamed because I'm crying?!
Well, Im crying, so why should you be embarrassed?
Look here, who is ashamed?

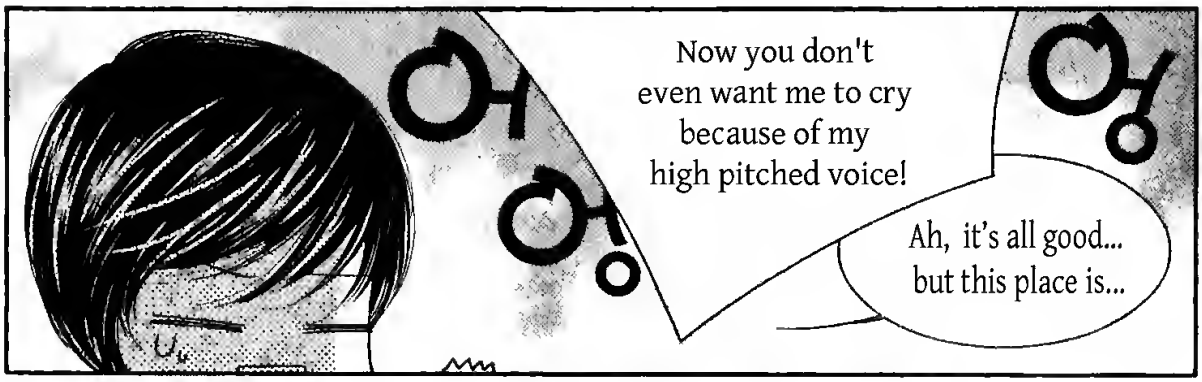
No, it is a little shameful...
I am the one who is ashamed, so why should you be?
Why do people always want me to be patient?
Do you know how long I was patient? Do you know how much of a hard time I had doing it?
But, but....
Who are you, and how dare you tell me not to cry or what!
Huh?
Listen to her?



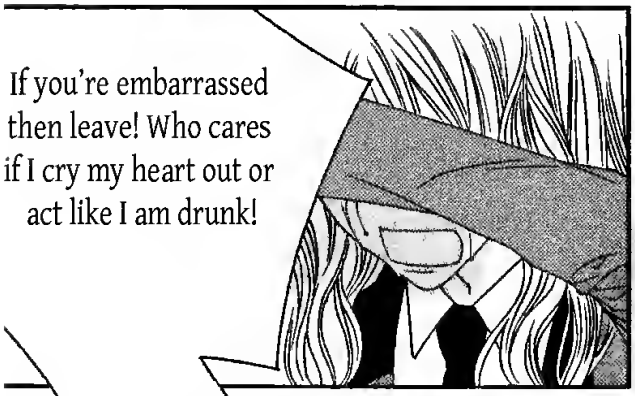
Look, I understand.
I understand...
You don't understand at all!



Do you think that I'm just an empty sack? You use me when it's convenient for you and tease me...
Now is not the time to talk about these things!



Now you don't even want me to cry because of my high pitched voice!
Ah, it's all good... but this place is...
Sfx: Sob Sob



If you're embarrassed then leave! Who cares if I cry my heart out or act like I am drunk!

Leave!

Yes...you chose today to talk about all these things. Very well.

I thought it was strange that I wanted to receive it today. I did well to do so.
I didn't really do it.
I never did it...
Now...
Private education is real
Public education is shit.
I never cursed private education.
My mom didn't do it!
Who said otherwise? Here, wipe your nose.

Tissue wrapper: Private education gains money in the hearts of the people.

No, really...
Yes, I understand. She didn't.
My mom didn't say that it happened
And I don't think my father is so bold.
That indecisive and timid guy can't do something like that...
Ugh...
Sfx: Slap

I was really
surprised and panicked...
Hey, I didn't...
Yes... you should hit me a lot and cry
You would never hit anybody anywhere else and scream
I was really scared.

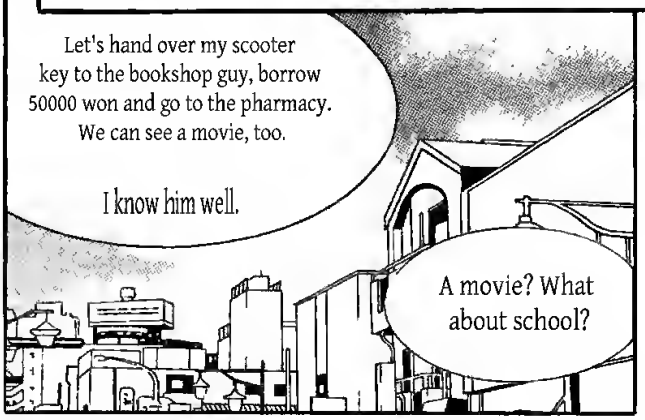
Why did you hurt your knee?
Are you a primary student?

If you're hurt, you should go to the infirmary. Why come to me?
The nurse wasn't there yet. I'll go to pharmacy

Did she get hurt badly? She's crying a lot...
Do you want to go to the hospital with the teacher?
흑흑
흑흑

Sfx: Sob sob

.....
I don't have a wallet.



Let's hand over my scooter key to the bookshop guy, borrow 50000 won and go to the pharmacy. We can see a movie, too.
I know him well.
A movie? What about school?

I don't have one either.
What then?

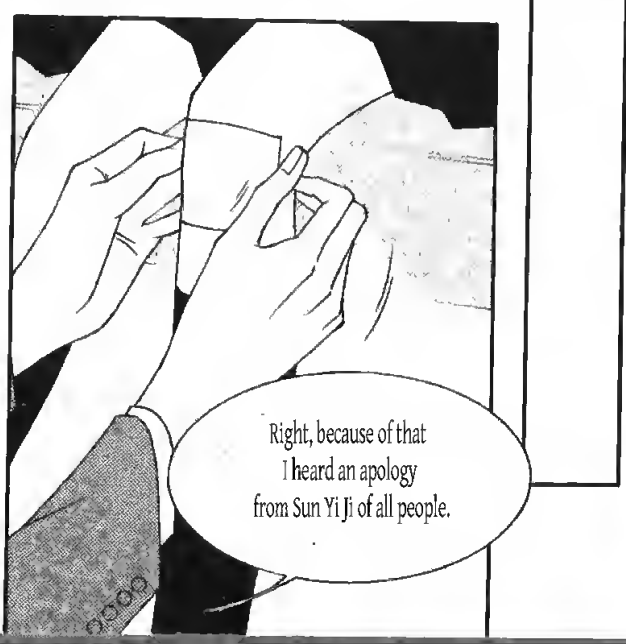
What do you mean school? At a time like this
Tell Sun Yi Ji to pack your bag and send her that message. Then turn off your cellphone.
Ah!
It really stings!
I will do it. Give it to me.

You should do something about your face with the wet tissue over there.

You are all red and swollen and you look really horrible.

Grin

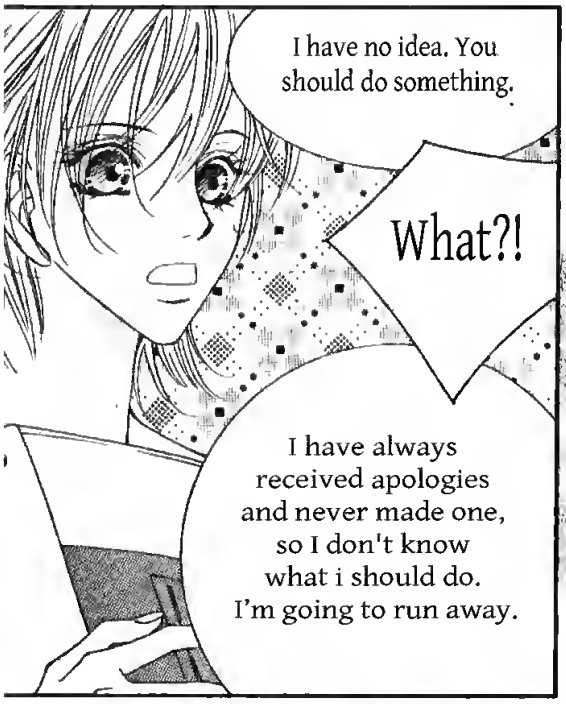
Why do you want to ask questions about that?



Right, because of that I heard an apology from Sun Yi Ji of all people.

Mm, look...

This is Se Gyuem's bag.
Look, didn't the school call you? Like, the home room teacher?
Well? I have too many phishing calls, so I pulled out the plug of the phone during the afternoon. Why? Is somebody going to call me?
Yeah, I can see that.
Where is the owner of the bag?
That is...
Se Gyuem Gang and Mi Hyang Seo left their bags behind and disappeared today.
I don't know
Huh?
They will come! They haven't disappeared!
So please don't scold them too much. It is...



I have no idea. You should do something.
What?!
I have always received apologies and never made one, so I don't know what i should do. I'm going to run away.

That is, look...

I think we did something and need to apologize to you.
